New York, July 19 .- The Board of Aldermen this afternoon passed a resolution for the appointment of a committee to inquire into the whole RENO affairs of the Tweed ring, to procure the names of Supervisors in power during its existence, and to find out whether any persons have been instrumental in shielding the thieves and preventing the city from recovering the money stolen.

OF STATE POLITICS.

The Ren) JOURNAL wants it under stood hat it is not endeavoring to reate a new party. Now look here, Mr. Powning, no one up this way believes that Washoe county is going to lead off next year, as three years ago, in the formation of an epicine political organization. The Comstock, the hub of population, the center of Nevada's political system, neld at the springs, and said he had and the place where rests the power no idea that there was to be any to more heaven and earth, as it were, politically, must claim consideration in this matter. Don't you know, sir. that the Enterprise told you last Winter that without these mines of ours and these greatmen we have (whom you can count, if you come here, on your finger ends) Wash se county would not be on the map, and Reno would be in that condition of nothingness where all thing are before they exist? coming for any other purpose than things are before they exist? A Slight Mistake.

An emigrant wan lered into Manning & Duck's yesterday and applied was directed to the Bink, and those who saw him make his exit from that purchased a ton, so astonished did he appear. His eyes looked like two bung holes in a burrel, his legs like two spars and his coat tails like the horizontal sails of a ship.
